Dear Ms. Sowinski:

Enclosed are two copies of the Sampling and Analysis Plan for the Solar Pond, 207A, at Rocky Flats Plant (RFP) for your review. This plan will provide RFP, and CDH, with waste analyses data for Pond 207A (which is a mixed waste facility) as promised to the State in a January 17, 1986 meeting at RFP.

Your review and comments are welcome, preferably by the end of March. We are planning to begin implementation of the plan during the first week in April, unless your group has significant comments which we cannot resolve before early April. If you have any questions, please contact Ken Greer at 966-4888.

Sincerely,

John B. Whitsett
Deputy Area Manager
